@ Wheaton High School

12601 Dalewood Dr Silver Spring, MD

The Montgomery County Government is inviting the community to a meeting with the selected developer, StonebridgeCarras/Bozzuto, for the Wheaton Redevelopment Program. At the meeting, the proposed development plan will be shared along with details on the scope of their project and ideas for design. The County would like the community's feedback as preparations begin for the development of a contract with the developer. Questions?
